Birchall - Organic Redbush Tea - 50g From Birchall

Over 140 years after Birchall Graham began planting tea in Darjeeling, his family continue the unbroken tea tradition he started. The present generation of the Graham family continue to produce and trade tea across international markets and the youngest members represent the fifth generation. Birchall's speciality black teas are all sourced exclusively from estates across East Africa, from Rwanda through to the Rift Valley in Kenya, where the very best teas are to be found. The company is based in London and has extensive interests in East Africa, including trading offices and a 62,000 sq/ft tea factory in Mombasa, Kenya and the Pfunda Tea Estate in Rwanda.

Birchall Organic Redbush is a classic red rooibos tea made from the soft needle-like leaves of the wild South African plant, *Aspalathus linearis*. Organically grown, pure origin redbush produces a gently hydrating infusion that is rich in anti-oxidants and naturally caffeine free, making it a light and healthy way to lift your day.
