213pp , About the authors: Mercedes García-Arenal , Mercedes García-Arenal has a doctorate in Semitic Philology at the Complutense University of Madrid. Work at the Institute of Arab Studies ' Miguel Asin ' Superior Council of Scientific Investigations. ABOUT THE BOOK :: A late fifteenth century , many Jews expelled from Spain settled in Morocco, Fez and formed a remarkably large community of great vitality. Several Jewish families acquired during the sixteenth century a prominent role in public life in their new country. Pallache Samuel was one of these Jews of Hispanic origin , in the early seventeenth century served the Sultan of Morocco as diplomatic and commercial agent with Holland. But first, he had tried to settle in Spain for which he was willing to convert to Catholicism ; to prove his sincerity he worked as a spy for the Spanish Court. Throughout his life was Pallache arms dealer , smuggler, double agent , spy, moving between Morocco, Spain and Portugal, the Netherlands and England , where he was arrested and tried for pirate. In examining the life of Samuel Pallache and members of his family, the authors cater to various aspects of the role of the Sephardic Diaspora in the Mediterranean world and the creation of the community of Amsterdam. Pallache religious identity and family, changing and seemingly ambiguous employment than they did the authorities of the countries in which they lived and who took his apparent lack of loyalty , are fascinating aspects . The study is based on a careful search for file in Spain , Portugal and the Netherlands. The world Pallache is actually a altomoderna micocosmos of society, a much more interconnected , cosmopolitan and fluid than is commonly thought world. The history of Pallache shows the connections between Morocco and the Protestant and Catholic Europe and the Mediterraneo trade and the Atlantic . The history of Pallache and his family is outstanding and representative of these Jewish communities living between two
