### Diez Gretchen McNeil

Meg and Minnie receive a mysterious invitation to a party on a private island and they don't hesitate to lie to their parents in order to go. When they get to the Cliffs mansion and meet the other eight guests, Meg suspects something is not right. The only DVD player in the house contains a recording with a sinister message: Revenge is mine. The first death appears to be a suicide, but as the bodies mount up and there is no way to leave the island or contact the outside world, Meg realizes the message is no joke. Will Meg and Minnie make it out alive?
